

## **Making a Motion**

If you know in advance of the General Assembly, that you would like to make a motion, we humbly request (and strongly encourage) that you submit your motion form in advance of the November 7, 2020 meeting. Sending the motion form in advance to the Secretary of IDHA allows us to have clear verbiage in advance and will keep our virtual meeting moving as efficiently as possible.

**IMPORTANT:** Sending your motion form in advance **does not mean** your amendment will be considered. **You must still make a verbal motion during the General Assembly meeting (at the appropriate time) for your motion to be considered.**

If you would like to make a motion during the General Assembly and you did not prepare anything in advance, you will be expected to submit your motion electronically to the secretary after your testimony is complete.

The 2020 IDHA General Assembly motion form is located [here](#). Similarly, the General Assembly Standing Rules amendment form is located [here](#).

Please send forms to IDHA Secretary Sharon Paterson at [paterson4idha@gmail.com](mailto:paterson4idha@gmail.com) and copy IDHA's Executive Director Barb Owens ([idhacentraloff@gmail.com](mailto:idhacentraloff@gmail.com)). You will receive a confirmation that your motion or amendment form was received.
